XPRESSBILLPAY

Delta City contracts with www.xpressbillpay.com to offer customers the ability to pay their accounts by credit card or echeck. They also offer the services of auto pay, email notifications, and past bill look up. It is easy and convenient. Please note, whether you choose to use XBP services or not, it is still your responsibility to make sure your account gets paid. For best results, make sure your email settings allow notices from xpressbillpay and that the scheduled payment clears your bank account. Delta City and XBP cannot be responsible for bank issues such as unapproved transactions. We also cannot be responsible for your choice of 3rd party couriers.

DECLARATION OF CANDIDACY

The following individuals have declared candidacy for the three 4-year positions:

- Nick Killpack
- Kelly Carter
- Brett Clyde Bunker
- KC Bogue
- Benjamin Bryan

The last day for write in candidates to file is September 18, 2023.

SEASONAL REMINDERS

- Please don't run over your meter with your lawn mower. Repairs can be costly and are charged to your utility account.
- DO NOT turn your water meter on or off. If you need changes to meter status, please contact the City Office.

BACK TO SCHOOL SAFETY

As summer draws to a close and back-to-school is on the horizon, it's never more important for drivers to pay attention. This is especially true before and after school. School buses are picking up their passengers, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work. Know drop off procedures. Share the road with young pedestrians, bicyclists, and buses.

WATER CONSERVATION

We understand that it has been hot, windy, dry and that your lawns are looking parched, but that is normal in a desert, and they will come back. Here are a few water saving ideas to try at home:

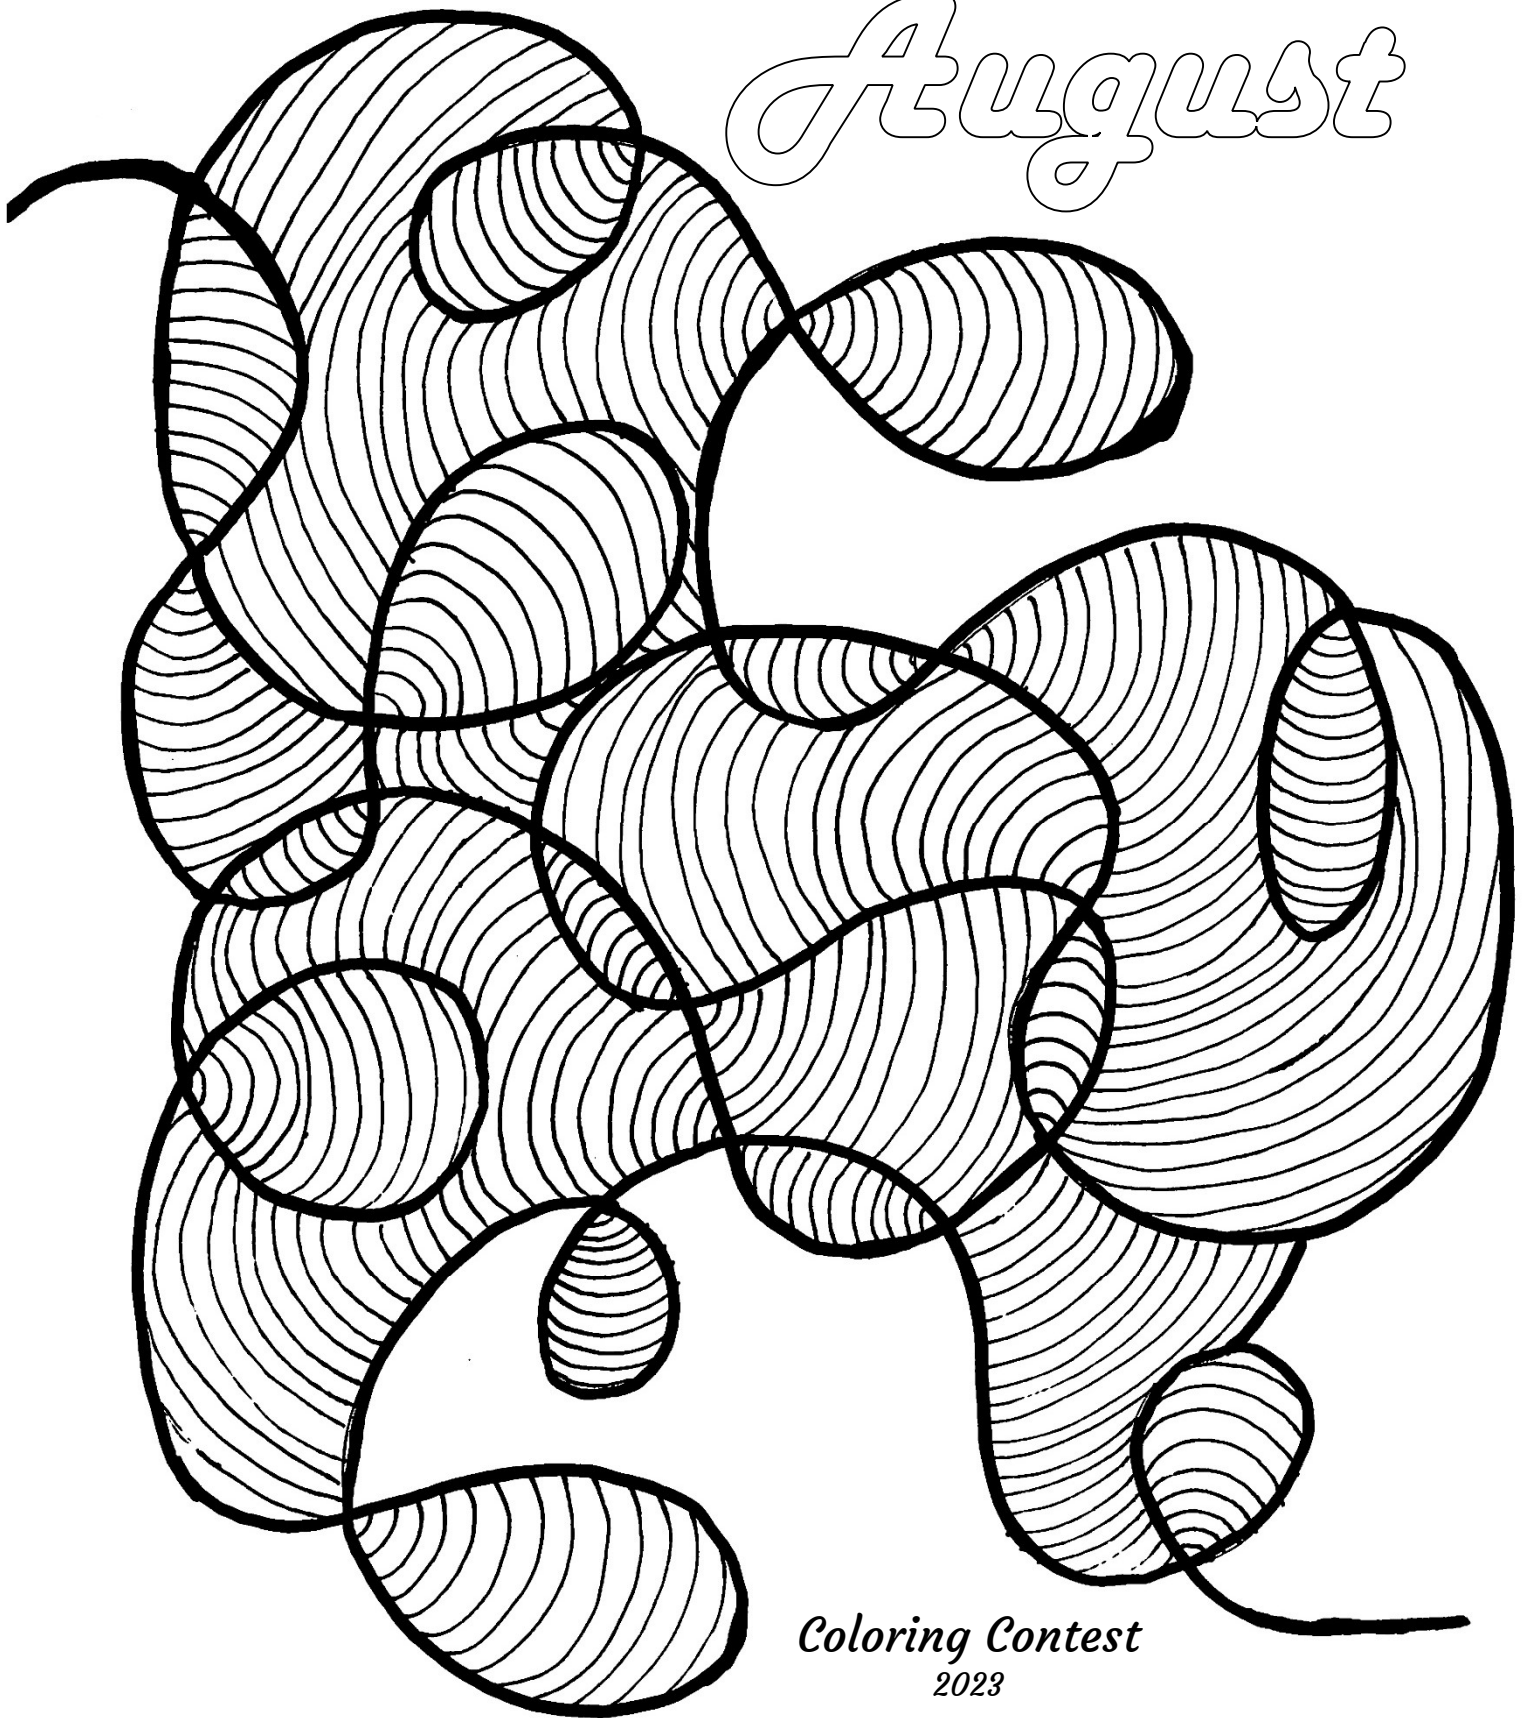

- Only do full loads of laundry to maximize your efficiency.
- Water brown spots in your lawn with a hose instead of increasing the irrigation time on your timer.
- Place children's water toys on any dry spots in your lawn.
- Instead of washing your car in the street or driveway, park it on the lawn where it won't go to waste.
- Take the pets outside to be bathed, pick a dry spot in the lawn to wash them.
